About the Special Needs Alliance:

The Special Needs Alliance (SNA) is a national, not for profit organization of attorneys dedicated to the practice of disability and public benefits law. Individuals with disabilities, their families and their advisors rely on the SNA to connect them with nearby attorneys who focus their practices in the disability law arena. SNA membership is based on a combination of relevant legal experience in the disability and elder law fields, direct family experience with disability, active participation with national, state and local disability advocacy organizations, and professional reputation. The majority have been certified as Elder Law Attorneys (CELAs) by the National Elder Law Foundation, the certifying entity for the National Academy of Elder Law Attorneys (NAELA).
